Introduction

At Grammar School we believe that all children should have access to quality educational provision, an equal opportunity, caring and supportive environment.

Purpose, Aims and Objectives

1. To have clearly stated admissions policy
2. To have detailed procedures and routines
3. To ensure an inclusive ethos is maintained
4. To comply with regulations in line with the National Agenda

'Admission' relates to the process by which places are allocated to applicants.

'Date of Application' is defined as when the application form is complete, and the school has received the application fee.

'Siblings' include brothers and sister, stepbrothers and step-sisters, half-brothers and half-sisters.

1. A sibling qualifies for preferential treatment under the terms of the Athena Admissions policy only if he or she is a sibling of a *current* Athena student and thus the two siblings will be at the school at the same time.
2. 'Emirati' includes all children who are UAE passport holders as well as children born to Emirati mothers holding a UAE family book.
3. Article 10 b of Federal Law no 17 of 1972, as amended by Federal Law no 10 of 1975 and Decree Law No. 16 of 2017, stipulates that children of UAE national mothers can receive full Emirati citizenship when they are 6 years old [provided their mother had the UAE nationality at the time of the child's birth].
4. Applications from children born to Emirati mothers will be required to show their mother's UAE family book to fall under this category.

Rationale

Grammar School follows the British Curriculum.

The School year runs from September to July; children can be admitted to Grammar School during the School year if a place becomes available (subject to KHDA guidelines).

The School's admissions policy is guided by the stipulations of the **Dubai Inclusive Education Framework (DIEPF)** (Published November 2017).

The School's admission policy adheres to the stipulations of the UAE Federal Law No29 of 2006 concerning the Rights of People of Determination.

The School's admission policy adheres to the stipulations of the Dubai Law No 2 of 2014 concerning the Protection of the Rights of Persons with Disabilities in the Emirate of Dubai.

The School's admission policy adheres to the stipulations of the **UAE Executive Council Resolution No. (2) of 2017 Regulating Private Schools in the Emirate of Dubai** (especially Article 4 clause 14; Article 13, clauses, 16, 17 and 19; Article 23 clause 4)

Article 4 Clause 14: to establish the conditions, rules, and standards that are required to facilitate the enrolment and integration of Students with disabilities in Private Schools.

Article 13 Clause 16: To treat its Students equitably and not discriminate against them on grounds of nationality, race, gender, religion, social class, or special educational needs of Students with disabilities.

Article 13 Clause 17: To admit Students with disabilities in accordance with the terms of its Educational Permit, the rules adopted by the KHDA, and the relevant legislation in force.

Article 13 Clause 19: To provide all supplies required for conducting the Educational activity, including devices, equipment, furniture, and other supplies which the KHDA deems necessary, such as the supplies required by Students with disabilities.

Article 23 Clause 4: To provide a special needs friendly environment and academic programmes appropriate for Students with disabilities in accordance with the rules and conditions determined by the KHDA and the concerned Government Entities in this respect.

Equal treatment

We welcome children from many different ethnic and racial groups, backgrounds and creeds. Human rights and freedoms are respected but must be balanced with the lawful needs and rules of our School Community and the rights and freedoms of others. All candidates for admission will be treated equally, irrespective of their, or their parents' religion, belief, sect, faith, creed, race, colour or ethnic origin.

Inclusion and Special Educational Needs

Athena welcomes students of determination and prides itself on being an inclusive school.

Grammar School is committed to:

- a) ensuring that admission to the School is not conditional upon the submission of a medical diagnosis; (*DIEPF* Standard 1.1)
- b) ensuring students are not refused admission based only on their experience of SEND; (*DIEPF* Standard 2.1)
- c) ensuring students who experience SEND will receive "sibling priority" for admission (*DIEPF* Standard 2.2)
- d) ensuring that students who experience SEND will be guaranteed the right to receive quality education and training in all types and phases of schooling across Dubai; (*DIEPF* Standard 2.3)
- e) ensuring that students who experience SEND will be actively supported to participate in the process of learning as they develop their potential, and build relationships with their peers, through social interactions in age appropriate common learning environments; (*DIEPF* Standard 2.4)
- f) providing, within its capacity, access to appropriate provision, resources and curricular options for students of determination.
- g) ensuring that students who experience SEND will be provided with the support, accommodations and curricular modifications required to enable equitable access to educational opportunities; (*DIEPF* Standard 2.5)
- h) ensure they promote the principle of equity for students who experience SEND. (*DIEPF* Standard 2.6)

Grammar School will comply with its legal and moral responsibilities under UAE law, in order to accommodate the needs of applicants.

Grammar School is committed to making its admissions procedures accessible to students who experience SEND. For this reason, the School needs to be aware of any known disability or special educational need which may affect a child's ability to participate in the admissions procedure, so that it can make adjustments to its standard admissions procedures to accommodate applicants who experience SEND and that the School can cater adequately for the student should an offer of a place be made.

Parents of a child who experiences SEND should provide the School with full details *prior* to the admissions procedure, at registration, or subsequently before accepting the offer of a place.

Grammar School will do all that is reasonable to ensure that the information and application procedure is accessible for disabled candidates and will make such reasonable adjustments as necessary. For example, the School may be able to provide an examination paper in large font for a visually impaired student.

The Admissions Criteria

Places are considered on a 'case by case' basis, guided by the principle that we are able to meet a child's learning needs to the best of our capacity in light of what is best for the child.

The School will give careful consideration to applications from students who are not yet working at age appropriate levels developmentally or socially or those who have a cognitive ability and/or aptitude which may restrict their access to all areas of the curriculum.

1. The School maintains the prerogative to evaluate reasonable adaptations to ensure an equitable and effective use of knowledge and resources, which will allow all students to make progress.
2. A 'Case Study' may be developed (prior to admission); forming an agreement between parents and the School, in order to make best use of the curriculum materials and approaches available to it as it differentiates to serve the diverse needs of its students.
3. The School ensures that students are not refused admission based only on their experience of SEND (DIPF Standard 2.1).
4. Students are expected to be fully toilet trained on entry.

Admissions Criteria: Sibling Applications

Siblings are given priority for entry into Grammar School.

Children with SEND who are siblings are given further priority for entry into Grammar School. All siblings must fulfil the School admissions criteria.

Admissions Criteria: Emirati Applications

Emirati applications are given priority for entry. Emirati siblings are given priority into all entry year groups.

All applicants claiming Emirati priority will be required to Study for Arabic as a first language ('Arabic A') and, if Muslim, required to study Islamic Education ('Islamic A') unless granted otherwise by the KHDA.

All Emirati applicants must fulfil the school admissions criteria.
