Mission Statement

Grammar School believes that every child matters and that learning should be fun, innovative, purposeful and challenging.

School's Mission

We are committed to delivering innovative and inspirational teaching that develop confident learners by:

- Encouraging students to take ownership of their learning.
- Developing teaching strategies that are innovative, engaging and fun.
- Preparing our students for the challenges ahead and make them ready for life as global citizens.
- Enabling our students to become critical, independent thinkers who embrace lifelong learning.
- Ensuring that equal opportunity exists to empower our students to achieve their personal best.
- Promoting a positive and respectful partnership with students, teachers, parents and the wider community.
- Working closely with the school owners and Board of Governors to ensure resources are available to support teaching and learning.

Introduction

This policy aims to provide a framework for Grammar schools in developing their approaches to managing student behaviour. Effective behaviour management systems identify proactive strategies that reinforce positive behaviour, and expectations and seek to prevent behavioural issues. It is important that, in managing student behaviour, schools do not rely on rules and consequences for addressing negative behaviour. The aim is to change patterns of behaviour and not just to sanction students who misbehave. However, repeated breaches of school discipline cannot be tolerated, and schools should follow a graduated response when dealing with students.

This policy is aligned with school mission and vision. Student Behaviour in Dubai Schools believes that every student has the right to be educated in a safe, supportive, and orderly school environment that is free from disruptions and obstacles that impede learning.

Aims

1. To promote pupil well-being and happiness.
2. To create the conditions for an orderly school community in which effective learning can take place, in which there is mutual respect between all members of that community and respect for the school environment.
3. To develop a sense of self-discipline in students and an acceptance of responsibility for their own actions.
4. To provide a fair and transparent set of procedures that ensure consistent application of sanctions for dealing with unacceptable behaviour that impacts on the smooth running of the school within the context of positive behaviour management.

It is the aim of Grammar school to ensure that every member of the schools' community feels valued and respected, and that each person is treated fairly and well. The behaviour policy is therefore designed to provide our students with guidance and set clear boundaries, whilst promoting positive behaviour.

Use of Positive Recognition and Rewards

Grammar School recognizes that praising students, is important for promoting positive attitude in school learning and good behaviour. Staff can recognise students' positive contribution to their class or school community, their efforts with schoolwork, progress, or attainment. Positive Recognition and Rewards may take the following forms:

Verbal Recognition

Verbal praise to the student(s) concerned

Public praise (in class, in assembly)

Arranging for the student and, in some cases parents, to meet the Principal

Written Recognition

Written comments in exercise books or on students' work
Positive comments in home-school communication books such as Student Planners
Issuing certificates or letters of appreciation
Students name/photograph on notice boards, e.g., 'Student of the Month'
Displays of student(s) work in the classroom or around the school
Publication of students' work in school newsletters or on the school website
Work shown to Principal or Senior Leadership Team
Merit awards and praise postcards, or similar
Letter/email from Form Tutor, Subject Teacher or Head of Department to the student
Principal's letter to the student and/or their parents

Material/Financial Recognition

Academic awards and trophies
Sports medals and trophies for competing or winning competitions
Prizes, e.g., books for winning entries in a writing competition
Book token or voucher for winning a competition

Participation in a Special Event or Activity

Participation in school trip, award ceremony, camp, or expedition. It should be noted that wherever/whenever a student is involved in a representative role for Grammar School or Athena Education, this should be acknowledged.

Behaviour for Learning

Certain principles and practices are pre-requisites of successful learning and good behaviour:

- Well planned lessons that are suitably differentiated to consider the age, ability and needs of the students and that plan for 'positive opportunities' to happen
- Lessons that are purposeful and relevant, and provide challenge at an appropriate level of difficulty
- Learning objectives and/or outcomes made clear to students
- Routines of classroom practice that are familiar, agreed and understood, including a definite start to lessons, time to review and an orderly dismissal
- Regular and frequent assessment and feedback

All classrooms and learning environments should display a 'classroom rules' poster which has been shared and understood by all.

Despite good lessons, appropriate encouragement and support, some students will, for a variety of reasons, sometimes fail to meet acceptable standards of behaviour. Disruption cannot be tolerated since it denies other students their 'right to learn'.

Low level disruption in lessons may be the result of:

- calling out – talking out of turn
- lack of respect for students/staff/property
- being off task and distracting others
- arriving late for a lesson

Disruptive behaviour will be dealt with by the class teacher in the first instance and colleagues in phases/departments need to discuss how they will support each other. Consistency in the way disruption is dealt with is vital so that students know the boundaries within which they can work and learn.

Practical subjects will have additional codes of conduct that focus on health and safety – Physical Education, Science, and information Technology. At the start of each term, the teacher will make these codes clear to students and display them as appropriate.

It is an expectation that seating plans will be produced by class teachers for all classes, as appropriate. This gives responsibility to the teacher to decide who sits where to maximize learning and encourage positive behaviour.

Strategies to promote and support good behaviour in lessons

If a student disrupts learning, one of the following sanctions may be appropriate:

- **Using positive language** to achieve the behaviour you want “Turn around please Kabir . . . thanks” “Looking this way and listening Aziza. . . thanks”
- **Choice** “You can choose to finish your work, or you can choose to lose 5 mins of your break time. What do you want to do?” The teacher should praise the correct choice
- **Move** to a different place in the classroom to help the child focus
- **Loss of play time/detention** – break time, lunch time, after-school
- **Contact with parents** by email or telephone
- Please note that parents should receive notice of a proposed after school detention
- *Referral to the Middle Leaders* (Year Leader, Key Stage Leaders or Head of Dept.) for further action
- **Report card**
- **Meeting with parents** to agree support from both sides

All serious incidents should be referred to the Behavioral Committee. It is important that strategies reflect a graduated response.

Attendance / Authorised / Unauthorised Absences – Please see separate Policy

Good attendance and punctuality are essential to help ensure students’ acquisition of core skills and key areas of learning. Schools will use a range of age-appropriate rewards and sanctions to ensure high levels of attendance and good punctuality.

Students are expected to attend school on every school day as specified in the school calendar. Aligned to the UAE Federal Inspection Framework, good attendance is judged to be 94% or better of the school year. If attendance falls below 94% due to excessive unauthorized absence, the implementation of Level 2 violation sanctions will be triggered.

We expect students to arrive at school and to lessons on time. **Punctuality** to morning registration, assembly and lessons is vital and is considered a Level 1 violation if not adhered to. Tardiness will not be accepted without an acceptable excuse. Students who are continually late for registration will be managed in line with the agreed policy. Where there are adverse weather conditions, there should be some flexibility in responding to each students’ circumstances and their punctuality.

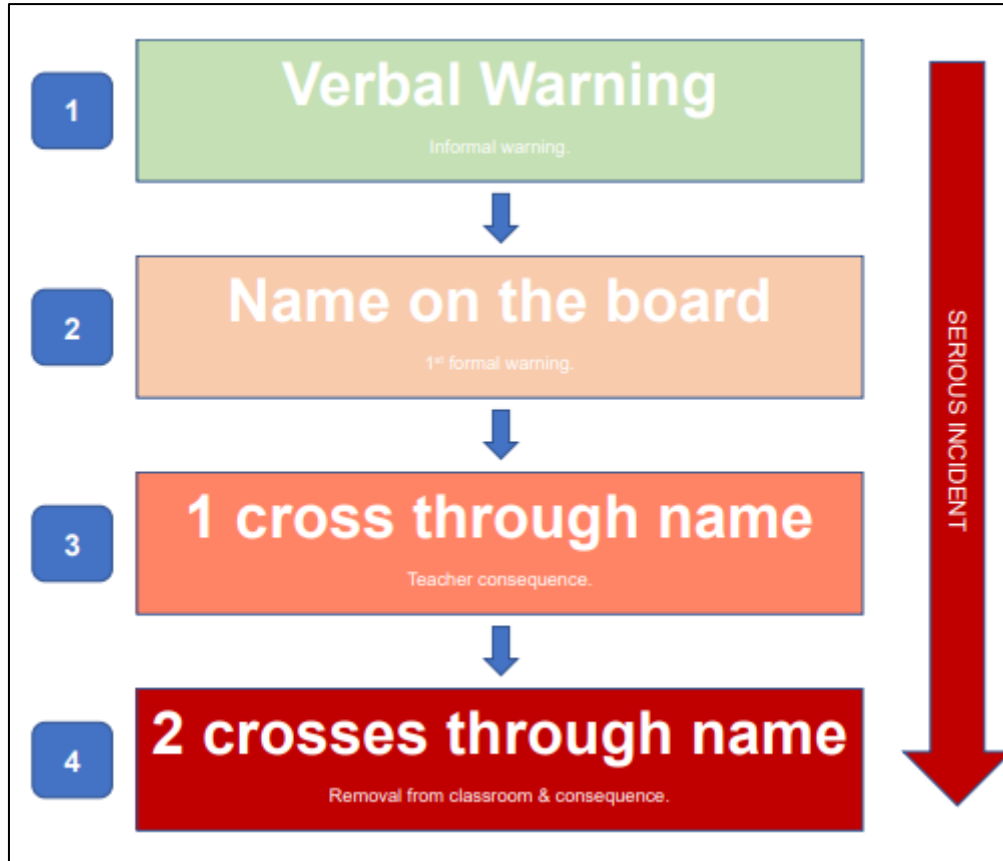

Behaviour In and Around the School

Grammar School's students are expected to demonstrate high standards of behaviour at all times. This includes moving around the school, in tutor time and assembly, in the social areas and on the way to and from school. Appropriate action will be taken by the school against any student whose behaviour is unacceptable and undermines the good discipline or reputation of the school.

Monitoring Student Behaviour

In class behaviour management is done in the following order

For more formal incidents when student are not following instructions, the member of staff will respond as such:

- 1) Verbal request a pupil to follow an instruction with a reason why.
Example: Ms. Viji please stop talking when I am, you are disturbing others learning.
- 2) Are you not following a member of staffs instruction.
Does not follow so say the statement.
- 3) Are you not following a member of staffs instruction.
Continues to ignore.
- 4) WhatsApp for removal.
SLT or Middle Leadership will remove the pupil from the room.

Positive conduct: It is expected for all students to have positive behaviour without violations. A score of 80 per cent for positive conduct will be allocated automatically to each student at the beginning of every term. In case of committing a violation, the proper procedure will be taken, and penalty points will be deducted from that score according to the type of violation. • **Excellent conduct:** It reflects great practices made by the student. A score of 20 per cent is allocated for excellent conduct. This will be awarded by the Pastoral Team.

This aims to have a structured approach to behaviour management which both staff and students understand and always follow.

It is important that there is regular communication between staff, where individual students are discussed and monitored. Students giving cause for concern should be discussed at pastoral meetings. The meeting is used also to identify students for intervention and support as well as those who may need to be referred to the Inclusion department for behaviour or learning support.

Bullying

Bullying is defined as “the wilful, conscious desire to hurt, threaten, upset or frighten someone”. It is rarely a ‘one-off incident’ but a course of action that is sustained over a period - 2-3 days or 2-3 months.

School takes a zero-tolerance approach to all forms of bullying. Any student(s) who bully another student will be dealt with and be made to apologize for their actions.

Bullying could be:

- **verbal** (e.g. comments intended to upset the receiver or the receiver’s family)
- **physical** (e.g. pushing or hitting another student)
- **emotional** (e.g. excluding a student from a friendship group or not inviting someone to an outing/event)
- **racist** (e.g. comments about ethnicity)
- **cyber bullying** (e.g. inappropriate comments sent by text messaging, email or social networking sites such as Facebook).

The following sanctions could apply depending on the nature of the bullying incident:

- Verbal warning and contact with parents
- Loss of play time/detention – break time, after-school
- Please note that parents should receive notice of a proposed after school detention
- Isolation or reflection time
- Restorative justice
- Temporary ban from attending school

Also refer to the School’s Anti-Bullying Policy.

Mobile Phones

Mobile phones are permitted to be used strictly for learning activities only on instruction of the teacher during the school time.

Any student found using a mobile phone whilst on school property during school hours will be in breach of school discipline (classified as a Level 2 violation). As a result, the following actions will be taken:

- 1st time - Verbal Warning - device would be given back by the end of the day.
- 2nd time - Parent will be called to meet the Year/KS Leader.
- 3rd time - Device will be confiscated.
- the incident will be recorded on the student file
- a formal letter will be sent to the parent from the school
- repeat violations will be escalated to a Level 3 violation.

In case of an emergency, students will be able to use school telephone facilities to contact home. Where parents need to contact their child, they should follow standard procedures and contact the School Reception.

Serious Breaches of School Discipline

Serious breaches of school discipline will not be tolerated, and serious incidents will be dealt with by the School Behaviour Committee in accordance with Athena's discipline procedures. Examples of serious breaches of school discipline could include:

- Fighting/assault
- Serious and persistent cases of bullying
- Serious and persistent disruption to learning
- Deliberately setting off the fire alarm causing mass evacuation of the building, disruption to teaching and learning and potential harm to students with physical disabilities
- Any incidents in line with Level 3 violations
- Incidents of repeated Level 2 violations within an academic year
- Any incidents deemed to be serious by the principal

In such cases, the student may be suspended from lessons and placed in isolation for reflection time or to work under staff supervision.

Alternatively, depending on the severity of the incident, he/she may be temporarily banned from attending school for a fixed time but not more than 5 days. KHDA must be notified of any serious incident and/or decision to suspend a student from school.

In all cases, parents will be invited into school to discuss their son/daughter's behaviour. Following isolation, the student may be placed on behaviour tracker their return to normal schooling managed on a 'phased return' basis. In the case of fixed term exclusions, a managed return may include a Behaviour Agreement signed by the student and his/her parents.

In severe cases where, despite support from the school, a student's behaviour does not change, the case will be dealt with by Grammar school Disciplinary committee and parents may be asked to remove their child from the school permanently. Alternatively, the school will seek KHDA approval and support to permanently expel the child.

Student of Determination (SoD)

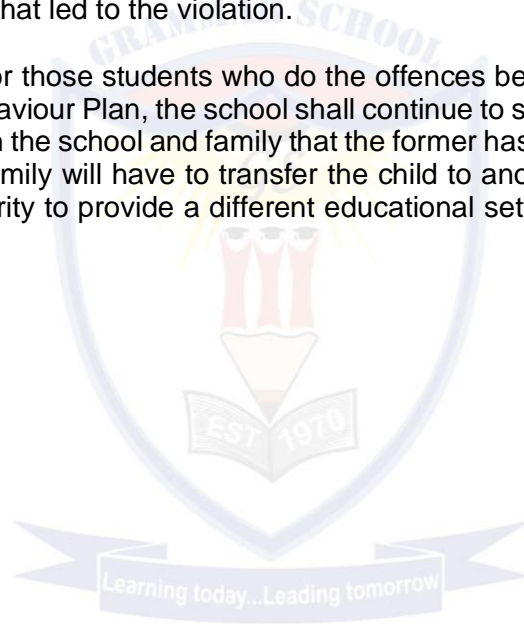

The school behavior management committee shall liaise with the Inclusion department at the school for the students categorized under the PoD violates the code of conduct.

The Inclusion team shall advise the committee in case the violation is caused because of the students' specific need and then decision is made in light of the following”

- If the violation is not because of the student's specific need, the below levels shall apply, like mainstream students.
- If the violation is because of the specific need of the student, the following shall apply:

Develop and implement a behaviour modification plan (BMP) as per the level and type of the violation. In case a BMP is existing, the school shall revise and modify that plan in accordance to managing the new behavior that led to the violation.

If the behaviour continues, for those students who do the offences because of their specific needs, regardless of the School Behaviour Plan, the school shall continue to support and integrate the child. If it has been agreed between the school and family that the former has no capacity to accommodate the needs of the child, the family will have to transfer the child to another school, or liaise with the educational regulatory authority to provide a different educational setting that will be more suitable to the specific need/s.

The Counsellor sits on the committee in the capacity of a member, SENCO and the KHDA Coordinator.

Fixed Term and Permanent Exclusions

For Level 3 or Level 4 violations, it may be necessary to punish a student with a temporary suspension or, for severe breaches in school discipline, there may be no other option but to permanently exclude the student from school.

Fixed Term Exclusions

Only the School Principal has the power to temporarily exclude a student. Fixed term exclusions can be for a period of up to 5 days.

Before any decision is made to temporarily exclude a student, a full investigation is undertaken by the School Behavioural Committee. This investigation may involve students and witnesses and will include consultation with the parents.

Permanent Exclusions

Only the School Principal, in consultation with the Grammar disciplinary committee and KHDA, has the power to exclude a student.

The Role of Parents

Parents are encouraged to work collaboratively with the school to ensure that students have a full understanding of Grammar school's expectations regarding student behaviour both in and outside of school. Parents should support disciplinary actions deemed appropriate by school leadership. To facilitate this, parents and primary and secondary students are required to sign a behaviour policy on an annual basis which clearly outlines key requirements in relation to student behaviour, the use of mobile phones, our school uniform requirements, attendance, and punctuality.

If they wish, parents have the right to appeal against school-based disciplinary action. To register an appeal, parents are requested to complete the Parents' Appeal – Letter of Consideration template. Depending on the nature of the disciplinary action, parents may be invited to meet with School Behaviour Committee, who may investigate. If concerns remain, they may be invited to meet with a member of Grammar school's disciplinary committee.

This policy has been discussed and agreed by the Grammar School staff and leadership team for implementation.
