

OUR MISSION:

*To become a truly inclusive group which values quality learning for **all** students in a sustainable, healthy and safe education environment*

Introduction:

At Athena Education we believe that all children should have access to quality educational provision, an equal opportunity, caring and supportive environment.

Purpose, Aims and Objectives:

1. To have clearly stated admissions policy
2. To have detailed procedures and routines
3. To ensure an inclusive ethos is maintained
4. To comply with regulations in line with the National Agenda

‘Admission’ relates to the process by which places are allocated to applicants.

‘Date of Application’ is defined as when the application form is complete, and the school has received the application fee.

‘Siblings’ include brothers and sister, step-brothers and step-sisters, half-brothers and half-sisters.

1. A sibling qualifies for the preferential treatment under the terms of the Athena Admissions policy only if he or she is a sibling of a *current* Athena student and thus the two siblings will be at the school at the same time.

2. 'Emirati' includes all children who are UAE passport holders as well as children born to Emirati mothers holding a UAE family book.
3. Article 10 b of Federal Law no 17 of 1972, as amended by Federal Law no 10 of 1975 and Decree Law No. 16 of 2017, stipulates that children of UAE national mothers can receive full Emirati citizenship when they are 6 years old [provided their mother had the UAE nationality at the time of the child's birth].
4. Applications from children born to Emirati mothers will be required to show their mother's UAE family book to fall under this category.

Equal treatment: We welcome children from many different ethnic and racial groups, backgrounds and creeds. Human rights and freedoms are respected but must be balanced with the lawful needs and rules of our School Community and the rights and freedoms of others. All candidates for admission will be treated equally, irrespective of their, or their parents' religion, belief, sect, faith, creed, race, colour or ethnic origin.

Inclusion and Special Educational Needs:

Athena welcomes students of determination and prides itself on being an inclusive school.

The School is committed to:

- a) ensuring that admission to the School is not conditional upon the submission of a medical diagnosis; (*DIEPF* Standard 1.1)
- b) ensuring students are not refused admission based only on their experience of SEND; (*DIEPF* Standard 2.1)
- c) ensuring students who experience SEND will receive “sibling priority” for admission (*DIEPF* Standard 2.2)
- d) ensuring that students who experience SEND will be guaranteed the right to receive quality education and training in all types and phases of schooling across Dubai; (*DIEPF* Standard 2.3)
- e) ensuring that students who experience SEND will be actively supported to participate in the process of learning as they develop their potential, and build relationships with their peers, through social interactions in age appropriate common learning environments; (*DIEPF* Standard 2.4)
- f) providing, within its capacity, access to appropriate provision, resources and curricular options for students of determination.

Athena Inclusion Inclusive Admissions Policy

g) ensuring that students who experience SEND will be provided with the support, accommodations and curricular modifications required to enable equitable access to educational opportunities; (*DIEPF* Standard 2.5)

h) ensure they promote the principle of equity for students who experience SEND. (*DIEPF* Standard 2.6)

The School will comply with its legal and moral responsibilities under UAE law, in order to accommodate the needs of applicants.

The School is committed to making its admissions procedures accessible to students who experience SEND. For this reason, the School needs to be aware of any known disability or special educational need which may affect a child's ability to participate in the admissions procedure, so that it can make adjustments to its standard admissions procedures to accommodate applicants who experience SEND and that the School can cater adequately for the student should an offer of a place be made.

Parents of a child who experiences SEND should provide the School with full details *prior* to the admissions procedure, at registration, or subsequently before accepting the offer of a place.

The School will do all that is reasonable to ensure that the information and application procedure is accessible for disabled candidates and will make such reasonable adjustments as necessary. For example, the School may be able to provide an examination paper in large font for a visually impaired student.
