Dear Parents,

World Book Day 2020 was officially on 23rd April 2020 and we could not celebrate it due to the Covid-19 pandemic situations.

Students at Grammar School have developed a great passion for Reading. Looking at their love for reading and their immense interest in the online learning journey, we have decided to dedicate the last 2 lessons on Thursday 7.5.2020 for World Book Celebrations.

Students could select any 2 activities mentioned. Please send the pictures and videos to their Form Tutors by 10.5.2020. It would be much appreciated if the students expressed their views while filming the activities. We hope to see some fantastic readers and lovely pictures.

Stay Home, Stay Safe😊

Regards,
Snehal Hedao
