

Dear Parent

Greetings from Grammar!!

The Covid 19 pandemic though has dislocated many economic issues but also has taught us nothing is Impossible. Distance learning's success being an example. We are now working towards preparing a safe and healthy environment in keeping with the KHDA guidelines for reopening schools in September.

Starting from 30th August the school will be providing the Remote and Blended learning options simultaneously. Students who opted for Online learning will join the team every day at 7:35 am. Newly enrolled students can use the school email shared through the parent mail and existing students can continue using their last years email.

The new Blended model of delivery which will include an optimal balance of online and face to face sessions. The students who have opted for blended learning have been divided into different Bubbles, Bubble 1 & Bubble 2

Bubble 1 will come to school on Sunday, Monday & Tuesday during week 1, whereas the other days attend the online session during regular school hours. Similarly Bubble 2 will come on Wednesday & Thursday of week 1 to school and attend lessons online the other days. This will be swapped the next week. Refer to the table below for more clarity.

BUBBLE 1	WEEK 1/ WEEK 3	SUNDAY, MONDAY, TUESDAY	WEEK 2 / WEEK 4	WEDNESDAY, THURSDAY
BUBBLE 2	WEEK 1/ WEEK 3	WEDNESDAY, THURSDAY	WEEK 2 / WEEK 4	SUNDAY, MONDAY, TUESDAY
